

The moment I arrived, I felt like we were home. They have created a sense of familiarity almost effortlessly. The service was subtle, discreet, yet I could feel the warmth in all that they do for me and my family. It was a good *first* impression. We will certainly be back.

...at was as though a spell had been broken. The  
...the other / Dismissed to his other wife and immediately  
...has been by the magic of words they had wished written  
...the story could not be any happier than this, for when  
...King heard how Michael had broken the spell,  
...side him a prince too. So the princess  
...didn't have to marry a grandfather
